

2019 APIP Format Guidelines and Awards

Welcome to our 2019 Asian Pacific Island Pride tournament!

Due to some last minute dropped entries this year, we had to change our format and make it a single division tournament. After the dust cleared, we ended up with eight (8) Novice and two (2) Open teams.

Format:

- As in the past, each team will still be guaranteed five (5) games; 2 Pool Play and 3 games in the Elimination Bracket.
- The Open teams will spot one (1) run per inning played when playing a Novice team. This will apply to all games played.
- Due to high demand and request from the teams, the Committee has voted to allow two (2) Extra Players (EP) to be added in their lineup for all games. This is only an option, not a requirement.

Awards:

First and Second place awards will be awarded in the following scenarios:

- 1) When both Open teams places first and second in the tournament, the third and fourth placed teams will also be awarded individual awards. Two sets of awards will be awarded.
- 2) Only one (1) set of individual awards will be given if the following scenarios happens:
 - a. A Novice and Open team places first and second;
 - b. Two Novice team places first and second.
